taxes, insurances, and water & sewer.

Note: Sellers pay the **Transfer Tax** (fixed amount based on selling price).

State Capital Gains Tax - Escrow (2%):

Note: Sellers who reside/live out of the State of New Jersey have
2% of the selling price held at settlement by the State of NJ.

When Sellers submit their annual taxes, the Sellers will have to
submit a tax return to the State of NJ so NJ gets the capital gain
then sends the Sellers the difference back if any.

(Sellers should contact and consult with their Tax Accountant.)
